

Your One Stop Guide To TestBashNY!

Thanks for being a part of our first ever TestBash in NYC!

This is everything you need to know about what and where things are happening during TestBashNY.

Please join in and observe the times, locations and schedules carefully!

Join The Slack!

We've started a Ministry of Testing Slack - a nifty web, desktop or mobile tool available for free to download. It's great for communicating and keeping in touch before, during and after TestBashNY. We will be sending invites out, if you don't get yours or would like to request an invite to a different email account then please get in touch with Rosie - rosie@softwaretestingclub.com.
